

COVID-19 ANNOUNCEMENT

Hello,

Thank you for visiting Sonospine.com. I am Anthony Gross, The Director of Clinical Operations of Sonospine.

In the wake of the international response to the Covid-19 pandemic, we would like to assure you that our business and medical operations are continuing to serve our patients in need. Rest assured, we are taking additional safety and sanitary efforts in our clinic that meet or exceed CDC and local guidelines to prevent spread of infection.

In addition, we have rolled out an effective means to communicate with patients through a secure, web-based teleconference platform. This allows us the ability to perform virtual conferences with existing and prospective patients that need our care. Please call us at 888-957-7463 to set up a virtual appointment with a member of our clinical team.

We will continue to modify our protocols to keep you safe and will communicate updates as they develop.

Thank you for entrusting us with your care, and we look forward to serving you.

Anthony A. Gross, DC
